Murphy , Media Literacy for Children , Journal of Social & Applied Psychology , 32 , 7 , (1023-1041) , ... How did the people say? At least they were nice to me. They made fun of 'Babu' and they told me that they feel that I'm not doing much for my family. They made a joke and it wasn't just me. They said that they didn't like my song either. I was happy to hear that, but the real people have been kind to me. It helped me in the process, I would do anything for them as I felt that they had a reason to believe that I have talent and that would help me as well. The song is just about me trying to improve myself every single day for a better life and it's about them thinking that I have talent too .. Frits Rochon and H.
